**APPELLANT DNB NOR BANK ASA'S DESIGNATION OF RECORD
PURSUANT TO FEDERAL RULE OF BANKRUPTCY PROCEDURE 8006**

DnB NOR Bank ASA ("DnB NOR"), pursuant to Rule 8006 of the Federal Rules of Bankruptcy Procedure, by and through its undersigned counsel, hereby designates the issues and record presented on appeal to the United States District Court for the Southern District of New York from the Order Denying DnB NOR's Motion Pursuant to 11 U.S.C. §§ 503(b), 507(b) for the Allowance and Payment of its Administrative Expense Claim and Allowing the Setoff of Such Claim entered in the above-referenced chapter 11 cases by the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court") by the Honorable James M. Peck on September 25, 2009:

Statement of Issues Presented on Appeal

- A. Whether the Bankruptcy Court correctly concluded that, to prevail on its administrative expense claim, DnB NOR had to have timely demanded adequate protection?
- B. Whether the Bankruptcy Court correctly concluded that DnB NOR failed to demand adequate protection prior to November 5, 2008?
- C. Whether the Bankruptcy Court correctly concluded that the parties' agreement to allow the conversion of the Norwegian kroner on deposit at DnB NOR to U.S. dollars to protect against prospective deterioration from November 5, 2008 applied retrospectively?
- D. Whether the Bankruptcy Court correctly concluded that, for DnB NOR to have prevailed on its administrative expense claim, Lehman Brothers Holdings Inc. and its affiliated debtors (the "Debtors") had to have used, or had need for, the cash on deposit at DnB NOR?
- E. Whether the Bankruptcy Court correctly concluded that, for DnB NOR to prevail on its administrative expense claim, the funds on deposit at DnB NOR had to have provided real benefit to the estate, where the Debtors contested DnB NOR's right to adequate protection or relief from the automatic stay?

Designation of Items to Be Included in the Record on Appeal

Documents filed in Lehman Brothers Holdings, Inc. et al, Case No. 08-13555 (JMP):
